

## Sparkle Uniforms is Open and ready to help you with your Uniform needs!

### **Promoting Social Distancing:**

Customers will be encouraged to maintain distance between each other.

### **Feeling ill? Alternatives to meet your Shopping needs**

If you're feeling sick, we ask that you stay home and perhaps ask a friend or family member to shop for you. ***You can also call us 605-332-4749 and place your order and we will mail your items to you or curbside pickup.***

### **Return Policy Revisions**

In an effort to limit the possibility of potential exposure that might occur to customers and employees when goods are returned, we will no longer be accepting returns on any items until further notice.

Thank you for your cooperation and understanding as we work hard to continue to serve you during this challenging time for our state, country and world. As the situation evolves, we will continue to make changes to ensure we do our best to support our customers and employees through this difficult and sensitive time. We remain committed to doing what we can to keep our environments, our customers and our employees as safe as possible so that we may continue to serve our community and provide people with the products they need.
